### *REPORT OF LIBRARIAN*

The report of the year ending January 31, 1935, is herewith submitted.

It was voted by the Library Committee to begin a permanent collection in the Library of the small representative works of art by those now living or who have formerly resided in Dublin.

The library now is represented with a drawing done and given by Mr. William Yarrow. Miss Amelia Peabody has sculptured a small animal and presented it to the library. A painting of the late Miss Martha Silsbee's has been given by Mr. and Mrs. J. L. Rand. Many artists have responded and will later be represented in the library.

Two needed additions have been made in the purchase of the new Seth Thomas mantle clock and a fire screen.

Miss Dorothy Annable of the Public Library Commission of Concord, visited the library in January and gave some helpful and constructive advice.

## **REPORT OF THE DUBLIN SCHOOL BOARD**

To the Citizens of the Dublin School District:

We herewith submit the one hundred and thirteenth annual report of our school.

On February 19, 1934, Mr. Lawton Chase, who had given much counsel and aid to the District, died suddenly. His loss was keenly felt by the School Board, who wish to take this opportunity to express once more their appreciation of his splendid work.

His place as Superintendent was filled temporarily by Mr. Sinclair, who carried forward the plans laid out.

At the end of the 1933-1934 school year in June the State Board of Education brought about certain changes in the Supervisory Unions. The Dublin District now belongs to the so-called Peterborough-Jaffrey Supervisory Union which includes the towns of Dublin, Hancock, Jaffrey, Peterborough, Rindge and Sharon. Mr. Lewis S. Record, formerly Superintendent of the Jaffrey Union, was elected as Superintendent of the new Union. The Union office is still maintained in Peterborough.

Mr. Record has been very helpful and meets frequently with the School Board.

The three members of the teaching staff have been retained for another year. Mr. Jesse V. Miller, Principal, teaches the sixth, seventh, and eighth grades, manual training, athletics, and nature studies. Miss Corinne Boucher, teaches the third, fourth, and fifth grades and Art. Miss Ruth McLeod teaches the first and second grades and singing.

Mrs. Mildred H. Whitcomb of Keene, an experienced singing teacher, comes for one half day each week and gives all pupils training which is followed up during the other days by Miss McLeod.

Miss Mary Grimes of Dublin spends two days a week giving remedial work to certain pupils in all the grades who, for one reason or another, need special attention. The Board feels that this work will help the youngest children to get ahead faster in subjects which are particularly difficult for them. The Board hopes that this procedure will relieve the teaching staff considerably and make progress for the classes as a whole somewhat faster.

The health of the School is watched by Miss Harris who has served as visiting nurse for several years. Dr. Clark is always available and makes periodic examinations of the pupils.

Mr. Clifton P. Clukay has been appointed janitor.

During the summer, closet space was built in two of the rooms in the schoolhouse as storage space has always been noticeably lacking. The new equipment provides an abundance of book-case room and adds greatly to the appearance of the so-called museum room.

The entire building is in good shape with only a few minor needs in the way of repair or improvement.

## ***ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS***

To the Dublin School Board:

Upon taking charge of the Dublin schools as a result of the re-arrangement of the Peterborough and Jaffrey Supervisory Unions, I was glad to find such favorable conditions for school progress as exist in Dublin.

The three regular teachers in the Consolidated School returned this year, and the program for the present year has been continued along the lines of last year with but few changes.

Miss Mary Grimes, a graduate of Keene Normal School, was secured as a part time teacher, who has devoted most of her periods to remedial work. This type of work is needed in nearly all schools and is proving very helpful, especially in the lower grades.

It seemed best to secure a regular supervisor of music for the school year, and we were fortunate in securing Mrs. Mildred H. Whitcomb of Keene, who gives one half day each week to the Dublin schools. Mrs. Whitcomb is well qualified to carry on this work. She has for a number of years supervised the music in the schools of Troy, Fitzwilliam and Jaffrey.

The work in Health Supervision has been continued with Miss Margaret E. Harris as school nurse. The distribution of free milk was resumed during the month of November, and will continue during the school year.

During the month of October a study of problem children was carried on throughout the state, and I received valuable assistance in the local situation from your principal, Mr. Miller, in working out the blanks sent to us from the State Department of Education.

Achievement tests have been given in the upper grades, and intensive work has been carried on to keep up to the required standards.

A liberal supply of books has made the work more interesting to the pupils, and the teachers have been able to accomplish better results than would otherwise have been possible.

The present staff of teachers are doing effective work. I have found them loyal and responsive.

I sincerely appreciate the helpful attitude of the School Board in their earnest efforts to give the children of Dublin the best that can be afforded.

(Signed)      LEWIS S. RECORD  
Superintendent of Schools
